Summerbrooke Pool Rules 2027

We are excited to have you for our 2027 Pool Season. Our pool memberships run from the date of purchase - December 31, 2027. Please remember all guests must be registered and paid for through our staff. It is also important for you to be informed of our pool rules. We also have our pool rules posted on our website. Please do not destroy any of our property, including our bathrooms. If you or your child breaks any of the pool rules, your membership will be terminated with no refund. Please note, we will periodically change the code for the keypad on the pool gate. When we do that, we will send an email or text to our pool members.

Please initial the lines below stating that you agree to our pool rules for 2027.

_____ 1. This is a Members Only Pool. Therefore, members must sign in guests with a server and settle guest charges at time of sign in. If you give the gate code to a non-member, your pool membership will be revoked, and you will not receive a refund of any kind.
